Memorandum for: Deputy Director, Intelligence

Subject : Item for IAC Discussion Early in January 1957

1. At the meeting of the President's Board of Consultants on Foreign Intelligence Activities on December 20th, the DCI indicated that he planned to suggest to the members of the IAC that a standard item on the agenda of each meeting be a review of any actual or potential crisis areas in the world.

2. The DCI has indicated that before this item is placed on the IAC agenda, he would like to tell the members what he has in mind. Would you please remind the DCI that he wishes to do this at the first IAC meeting he will chair in January. He may wish to have a discussion outline prepared.
